

Lloyd FAQs

Helloyd (pre)frosh! Unfortunately, online dinners are not entirely conducive to learning about the nuances of LLOYD, so we've compiled a brief FAQ to answer any specific questions you may have! Of course, this is not a comprehensive list of questions or answers so feel free to ask anything during dinners if you would like to know more. We highly encourage asking questions so you can have an accurate picture of Lloyd before you rank houses and are sorted.

GENERAL

What is the level of alcohol consumption in Lloyd?

Some people drink, some do not. While drinking must be done in private rooms (as per admin instruction), the activity of drinking is not hidden. If you are not interested in drinking, there is absolutely no pressure to do so! Lloyd is very good about respecting boundaries and there is no social pressure to do anything you don't want to.

How loud is Lloyd? When are quiet hours?

Quiet hours are midnight from Sunday to Thursday, and 2am on Friday to Saturday. It definitely can be quiet enough to take exams or quizzes in rooms during certain hours of day, especially during midterms or finals week (however, some Lloydies prefer to go to SFL or Millikan, anyways).

DINNERS

Does Lloyd float?

Yes. Floating occurs if dinner rules are broken and by the discretion of waiters. Most floats are done with water, but getting floated with things (such as juice, milk, etc) is possible.

Is there bread throwing at dinner?

Yes. Bread (and only bread) throwing is allowed with permission from waiters. Not asking for permission before throwing bread is a violation of dinner rules.

How do Lloyd dinners end?

Lloyd dinners end when the president rings the Gong. Lloydies bang on tables then proceed with announcements. Those with announcements stand on their chair and say their announcement, followed by more table banging. Regular dinners are usually around 30 min long and start at 6:25pm.

THE BUILDING

What are dorm rooms like?

All dorm rooms in Lloyd are doubles, and contain two working spaces (including a desk and drawer) as well as two closet spaces. There are three possible bed situations: loft, sky bed, and desk beds. Rooms have individual AC units and sinks.

What are bathrooms like?

There is one female and one male bathroom per floor, and an additional gender-neutral bathroom on the first floor. Each bathroom has two single shower stalls separated from the main bathroom by curtains.

What are the alleys in Lloyd?

Lloyd has eight alleys, seven which contain dorm rooms. First floor alleys are Inferno, Tropic, Valhalla, and Dead alley (no dorm rooms). Second floor alleys are VI, Fingals, Chaos, and Purple. There will generally be some alleys that are quieter than others.
